Spice Up Dinnertime with Mexican Food

Mexican food is popular with all ages. Using basic ingredients you can prepare low cost, pleasing meals the whole family will enjoy. Hot sauces and salsa add flavor and spice. Try mild varieties for children and others who do not enjoy hot and spicy foods. Jalapeño peppers are hot - use them sparingly or remove some or all of the seeds to cut down on the heat. Also, wear gloves when chopping or wash your hands thoroughly after chopping.

Huevos Rancheros

Yield: 2 servings • Serving Size: 2 tortillas with toppings

- 4 corn tortillas
- ½ can low sodium refried beans (or refried black beans)*
- 3 eggs
- 4 Tablespoons salsa
- ¼ cup grated cheese, Cheddar or Jack

1. Place a tortilla in a frying pan on medium heat to soften. Turn over to heat both sides. Keep tortilla warm in 200°F oven. Repeat with remaining tortillas.
2. Heat beans in a small saucepan or in the microwave. Be sure to cover beans when heating in the microwave to prevent splatter.
3. Cook eggs according to taste. Generally eggs “over easy” are used, but scrambled eggs work just as well.
4. Place two warm tortillas on each plate. Top with the beans and a sprinkle with grated cheese. Place eggs on top of cheese. Top with salsa.

*To reduce the fat in the recipe, choose “no fat” or “low fat” refried beans.
