

A nutrition Fact Sheet

Kids Can Cook!

Cooking Skills for Kids

Children develop cooking skills at different rates. Introduce them to skills that match their ability level. Be patient as your child learns new skills.

Ages 3-6 years

- Stir ingredients together.
- Wash fruits and vegetables.
- Tear lettuce to make a salad.
- Add ingredients to a bowl.

Ages 6-8

- Measure ingredients.
- Set the table.
- Beat ingredients with a wire whisk.
- Use a butter knife to cut soft foods like bananas.

Ages 8-10

- Use a can opener.
- Use a microwave oven.
- Prepare simple recipes.

Ages 10-12

- Use an oven with supervision.
- Use a sharp knife with supervision.
- Use grater to shred ingredients.

Cooking Safely

1. Before cooking, have children wash hands before cooking, protect clothing, and tie long hair back.
2. Read through recipe and get out all ingredients and utensils.
3. Use a cutting board, not the kitchen counter, for cutting and slicing.
4. Clean up any spills right away with soap and washcloth.
5. Use potholders to handle pots, pans, or anything hot from the stove or microwave.
6. Turn handles of sauce pans on the stove towards the counter to prevent burns or spills.
7. Assist children in using electrical or gas appliances.
8. Help children use knives. Teach them to always hold the knife with the blade away from themselves and never to play with knives.
9. When finished, help children wash all dirty dishes and counter tops, refrigerate food, and return everything to its place.

Snack Ideas:

Building Blocks: Cut **cheese and cooked meat** into cubes or small pieces. Add cucumbers, tomatoes, or other vegetables you have on hand. Have children connect cubes with **toothpicks** to build their own creation.

Log Building: Dip **stick pretzels** into **peanut butter** and construct a house or piece of abstract art.

Cold Monkeys: Cut **bananas** into bite size pieces. Spear with toothpick and dip in **lowfat yogurt** or spread with **peanut butter**. Roll in whole grain **cereal** and freeze until hard.

Waffle to Go: Toast **frozen whole grain waffle** in toaster. Cut in half and spread half with **peanut butter** and **jelly**. Top with second half.

Peanut Butter Swirls: Spread **peanut butter** on a whole wheat tortilla. Place a **banana** in the middle. Roll up and slice.

Banana "Split": Make a banana split with **banana**, **lowfat yogurt**, and **whole grain cereal**.

Frozen Grapes! Wash and freeze **grapes** in single-serve baggies for a cool great on a hot day.

Break Down Tasks into Steps

- First show them how to do the step.
- Then let them practice.
- Don't expect perfection.
- Be patient and allow extra time as they learn new skills.
